EARLY MARRIAGE RECORDS

of

DEKALB COUNTY, INDIANA

1837 - 1882

Indexed

Compiled by
Fayne E. Harter
June 17, 1970

Two DeKalb County Court Houses have been destroyed by fire. Some marriage records were very badly damaged. The early records were very severely burned, and were destroyed; after a copy was made from them. The records, here-in given, were made from this copied material.

The copied records in the DeKalb County Court House were very poorly done. In many cases the date of the issue for the marriage license was after the date of the marriage. Many times the groom's name, and sometimes the bride's name, would appear on one entry for the person performing the marriage ceremony. Sometimes the minister's name appears on one of the bride or groom's lines.

I have tried to give as accurate a copy as possible. It has been copied just as it is written. The date of record for the marriage is given, just as it appears in the Court House. The obvious errors are given, just as they appear in the official records.

It would not be fitting if recognition were not given to Norman L. Gerig, Clerk of the DeKalb County Circuit Court, and to his staff. They were all most gracious and helpful. A most heart felt thank you.
